

# *Pagers Are Everywhere!*

**Restaurants**

**Hospitals**

**Clinics**

**Church Nurseries**

## ***BUT HOW CLEAN ARE THEY?***

**Introducing PACOS a patent pending Solution from S2S Design**

PACOS protects your customers from harmful germs transferred from outside sources. PACOS is a simple inexpensive barrier between patrons and unwanted cross contamination.

PACOS offers several benefits including another customer touch point for your customized marketing or advertising message and to protect your customers from contamination.
